(Constituent of Symbiosis International Deemed University- Established under section 3 of the UGC Act 1956, Vide notification No. F.9-12/2001-U.3 of the Government of India)

Accredited by NAAC with grade 'A'

Dear Candidate,

Greetings from Symbiosis Institute of Technology!

At the outset, I thank you for considering Symbiosis Institute of Technology as an Institute of choice for undergraduate studies in engineering. Symbiosis, as you know, is a name synonymous with quality education in the country and abroad. Symbiosis Institute of Technology is trying its best in terms of providing quality technical education with an aim to catch up fast with other Symbiosis Institutes ranked among the top Institutes of the country in Management, Law and other faculties. You can know more about Symbiosis International University by visiting www.siu.edu.in

We are receiving a large number of queries from the registered candidates wanting to know **“based on our marks, should we come for counseling on June 8, 2014 or not?”** The answer to such queries is as under:

Students, who have marks above 80 in SET, stand a chance of admission and should attend counseling on **June 8, 2014**. However, students below a score of 80 in SET can still try. If they do not get a seat on that day, they can complete all formalities and give their name in the **Waiting List** along with the choice of a branch. These students would be given admission as and when seats fall vacant. **Our experience in past has been that about 20-25% students vacate their seats and student from waiting list are given admission. If a student is given admission from the waiting list, he/she doesn't have to come again personally if he/she had attended the counseling and given his/her name in the waiting list.** The information about vacant seats, if any, will be uploaded on the website after the counseling. Those who would not be able to attend the counseling on 08th June can also give their name in the waiting list by sending an e-mail to waitinglist@sitpune.edu.in (after June 8, 2014) along with a demand draft of Rs. 1,00,000/- (returnable in case of no admission).

However, the Institute doesn't take responsibility of ensuring admission to everyone who reports for counseling as the seats will be allotted purely on merit.

Please read FAQs and counseling procedure carefully on www.sitpune.edu.in before coming for counseling.

Candidates who have got their SET result but have not registered yet for the Institute (SIT) may do so as it is mandatory for attending this counseling. Register with your SET login for SIT on <https://oamsset.blueshiftindia.com/sitset/website/>.

We invite you to attend the counseling, enjoy our hospitality, see the facilities at the Institute and experience the beautiful weather of Pune. The candidates have to report at 9 am and the counseling/admission will start at 10 am.

All the best!

Regards,

Dr. T. P. Singh,
Director
