Armed Flag day

7th of December is marked as the Armed Forces Flag Day since 1949. It is a day where funds are collected for the welfare of Indian Armed Forces Personnel. It is important that even their families get a chance at a normal life just like all of us. Hence we from V@rSITy-care would like to encourage you to donate as much as you can so that even a small kid who has lost his father to this honour can have a happy life and a mother need not be constantly worried.

Greetings from V@rSITy-care

What if one day you just wake up and realise you don't have your parents around to protect you? What if the shade that you have been living under all these years is just snatched away from you? We understand it sounds harsh but it is a reality that every Army kid is told since the very first day or an Army wife is warned about. They sacrifice everything just so that we get a perfect sleep and a fearless life. To be constantly stationed at border or being transferred around the whole country all your life is not easy. A settled life is all we want and these brave people say goodbye to it proudly with the oath they take. Hence it is our duty to thank them for their dedication and sacrifice.

7th of December is marked as the Armed Forces Flag Day since 1949. It is a day where funds are collected for the welfare of Indian Armed Forces Personnel. It is important that even their families get a chance at a normal life just like all of us. Donation details are present at the end of the video .

Subject: International Day of Yoga 2018

To:

Namah Shivay !

With reference to our conversation earlier today, here is a brief on the 'International Day of Yoga (IDY)' 2018 programme.

21-June-2018, The International Day of Yoga, presents an occasion to promote and spread the message about the rewards of regular practice of **Yoga** among the general public. Every individual stands to gain from the regular practice of yoga through long term benefits in health, happiness and well being.

To summarize, Yoga is the best kind of *Health Insurance* that one can give themselves!

Surya Foundation (International Naturopathy Organization), supported by **Ministry of Ayush**, Govt. of India, has a vision of teaching Yoga to **25 lakh** Indians as part of its initiative this year.

To support this initiative, a Yoga training programme of 1 hour duration will be conducted for the general public - students and adults including Sr. citizens.

Those attending the session will be required to:

- carry their own yoga mat.
- wear comfortable loose fitting clothes.
- perform yoga on an empty stomach (preferable to perform asanas 1-2 hrs after a meal).

The Yoga session shall comprise of **Sukshma Kriyas, Asanas, Pranayam and Meditation.**
