*(satguru Nanak pargateya mitti dund jag chanan hoya)**||With the emergence of the true Guru Nanak, the mist cleared and the light scattered all around.||*

On the auspicious day of the birth of Guru Nanak Dev Ji, we cordially invite one and all for "Guru da Langar" on 7th November 2017 at Mess hall, Symbiosis Hill base campus, Lavale

The Langar or free kitchen was started by Guru Nanak Dev Ji to uphold the principles of equality between all people regardless of religion, caste, creed, age, gender or social status.

Guru Nanak Dev Ji thought there is no better bargain than to give in the name of God. He had left Talwandi, for the first time when his father gave him some money to set him up in trade. His father instructed him to enter into a 'Khara Sauda' (good bargain). He left home and came across some ascetics-the saints of God- near Chuharkana. The Saints had not taken food for several days. He served meals to them and that was perhaps the first Pangat which was fed by Guru Nanak himself. He thought that there no bargain better than to give in the name of God, thus, making the best bargain he returned home empty-handed. This was a glimpse of the Langar which he established later as a regular institution.

'The people are more than myself', said the Guru. 'Religion is an inspiration of Love. the beloved is in His people and the service of the people in the service of God. And it is through service that love is realized.'

International Student Orientation Programme was held on 20th July, 2017 at SIU , Hill Top, Lavale. All the fresher International Students admitted this year (2017 -21 batch) from various institutes attended the programme . Approximately 200 students attended the programme.

Programme was hosted by the student members of Symbiosis International Council.

Mrs. Anita Patankar – Director, SSLA, and Deputy Director of SCIE, Pune, delivered a lecture on Cross Cultural Sensitization. She explained the International Students about the differences in the Foreign and Indian Culture and how they should deal with it with more positive approach which will help their stay to become more comfortable and enjoyable in India and ultimately in Symbiosis.

She also made them aware of Pune city and its cultural values . She advised them that in their leisure time they can just go and visit many places in and around Pune city which are considered to be the specialities in Pune. She also guided them that the best way to get adjusted to Indian food and that too to the Maharashtrian food is to try the local foody outlets like pani – puri, vada pav , misal, etc so that it will be easier for them to develop the food taste which will make their stay more comfortable and easy in the Symbiosis hostels with the Mess food.

President , Symbiosis International Council (Student Member for 2017) through presentation briefed all the foreign nationals regarding the formalities and legal documentation they have to complete at FRO. He also introduced all the international students to the International Council Members.

A welcome speech to International Students was delivered by Medha Mythili, Administrative Coodinator, International Council along with Mrs. Anita Patankar and Dr. Rajani Gupte , Vice Chancellor, SIU. They both appealed to all the International Students to participate in almost all the extra curricular activities and events which will be organized for them by SCIE throughout the year .

At the end of the programme ‘ Team Building Games were organized at Recreation Center for all the International Students followed by lunch.

Report on Participation in Food Festival Activity

by International Students

Attendees : List of International Students Attached

International Cell co-ordinator :Ms. Rashmi Kshirsagar

Brief :

As per every year as a part of celebration of 'International Students Day' SCIE had organized 'Food Festival ' event at SSLA, Vimannagar New Campus.

Round about students from approx 33 countries, counting to 100-120 international students were present for this activity who had put many varieties of eatables representing their own country.

From SIT Ethiopian Students had also put up a food stall of various eatables representing their own country ' Ethiopia'.

All the students of SIT, tasted most of the food stalls and enjoyed the event to fullest extent. The whole atmosphere looked like one family though all the students were representing different countries.

To grade as a whole it gave a prominent feeling of exchanging and mixing of different cultures together which is the prime moto of Symbiosis.
