Dear All,

As per letter below and Directives received, the faculty and students should read the pledge attached **today at 2:00pm in the respective classes , on the occasion of Rashtriya Ekta Diwas.**

**Faculty members please carry a copy of the pledge to the class.**

Kindly take a few snaps of the pledge taking ceremony and send to me with a CC to Neeru Madam and information officer by 3:00 pm positively, with the class name so that these can be sent to the university.

@Mr. Kashinath kindly help in collection of the snaps from first year faculty.

Thanks and Regards,

Name of the event: Global immersion programme

6 months internship is compulsory/part of curriculum in SIT for all students. We provide opportunity to students by providing link to different industries to take up internship. In many cases, students go abroad for internship with full sponsorship/partial sponsorship either from Parent University or from Guest University.

Name of the event: Initiatives taken for international students

As in the name of our university, we get many students from other countries to study engineering from SIT. Being from different countries, they face lot of problems in adjusting to our country/institute/students/culture... To bring them to the main stream, we arrange several activities for them, namely, orientation, buddy system, ethnic day,...

**Event: Model United Nations****Date of mock MUN: 13th April 2018**

Report: The members of literary society took an initiative to conduct a mock MUN session to enlighten those who did not had an idea of what it is and to find out the hidden talent. The response was amazing. The committee chosen was UNGA:DISEC and the agenda discussed was **“Demilitarization in the Asian region with special emphasis on DPRK”**.

The discussion turned out to be brilliant and the students were very happy with this session. It began with explaining all the rules and regulations. Students were taught of how to do the paperwork during the MUN. The chair did a wonderful job in conducting it as it is the chair which is responsible for how the session goes and for giving them a right direction. There were few moderate caucus and few informal caucus.

The report cannot end without mentioning about the delegates who actually took it seriously and came out to be wonderful. The best delegate was given to- the delegate of DPRK, two High Commendation were given to the delegates of Pakistan and U.S.A. There were also two special mention given to the delegates of Sri Lanka and New Zealand and three Verbal Mention to the delegates of Turkey, Iran and India. At the end the event was a great success, the response was wonderful and the students requested that more such events to be conducted in future by The Literary Society.

**Date of MUN: 20th October 2018**

MUN also know as Model United Nations is a conference where students also known as delegates get to learn about diplomacy, international relations and United Nations. Organizing such conference is an important part in today's times as students get to learn leadership qualities, team work etc is a fun loving way. They debate with each other by representing their respective assigned countries and then finally come to a conclusion based on the agenda given to them.

The Secretary General for this conference was Drizzle Tanwani (2nd year IT). For the Executive Board we had Gaurav Ednani and Maaz Modak (from Pune Circuit) as Chairperson and Vice Chairperson. We are proud to announce that the winners of this conference were

**Best Delegate: Dilsher Singh Mangat****High Commendation: Ninad Berry****Special Mention: Siddharth Gulecha**

Dear All,

**“When the power of love overcomes the  
love for power, only then will the world  
know peace.”**

**Greetings from the Literary Society!**

Model United Nations, also known as Model UN or MUN, is an extra-curricular activity in which students typically role play delegates to the United Nations and simulate UN committees to solve world level issues.

We are planning to host the 3rd Edition of SIT MUN next semester. But before taking that step we have to strengthen ourselves. So for all the MUN enthusiasts and people who want to explore it, we, The Literary Society, is organising the first SIT Intra MUN, today- **Saturday, 20th October, 2018** at the Seminar Hall from **11:00 am to 4:00 pm**.

Details of the conference are given below:

**Committee Simulating: UNHRC (United Nations Human Rights Council).  
Agenda: Human Rights Violations in the Middle East**

The session would be headed by Gaurav Ednani (Experienced MUNer of Pune Circuit) and would involve a brief session of versing everyone with the Rules of Procedure followed by the Conference. This conference is only open to the students of Symbiosis Institute of Technology.

We will select the **Best Delegate**, the **Highest Recommendation** and the **Special Mention** from all the participants and **Cash awards will be awarded** to the deserving delegates.

**All those who are interested can join in.****Best Wishes,**

Dr. Neha Divekar

Director  
Symbiosis Institute of Tec
