Dear Candidates,

Greetings from Symbiosis Institute of Technology (SIT)!
Thank you for registering with SIT M.Tech Programmes!

The Online Entrance Test for Non-Gate Students will be conducted on 20th June 2020 from 11 am to 11.30 am. The Online Entrance test will be objective in nature and Multiple Choice Questions based on the fundamental concepts in the respective stream. It will be a 30 minutes' test with 20 Questions.

On the request of students, we will be having a mock test for the candidates on 19th June 2020 at 2 pm. This will be only to give them an idea of the test environment and will not be reflecting the exam questions in any way.

The credentials of the test will be shared with the candidates on their registered email ids one day before the test. Please make sure you enter the login credentials correctly with no spelling errors or case errors.

The test will begin at the given time sharp and will automatically close at 11.30 am. It is very necessary to submit your response before 11.30 am for recording. The test should be given with the shared credentials only as it is the user id for the candidate in the machine graded test tool.

Merit list shall be prepared immediately after the test. The candidate will be communicated about the shortlists after the test. They will be guided to the interview schedule which will take place on the same day with video conferencing online mode.

Candidates are requested to check their registered email ids for the credentials of the tests and meetings too.

Any technical issue in the test environment during the test should be reported on the hotline number operational during the test will be shared with you on 19th June.

Best Regards,

Dr. K. Kotecha
