June 2, 2020

Dear Aspiring Engineers,

Hope you all are fine and staying safe well!!!

At Symbiosis Institute of Technology, we strive to challenge each student to grow to ones abilities and be ready to face the industry at the end of the course.

In continuation to the first letter which you have received, this letter will give you admission procedure in brief and all the essential links and dates for the online admission.

After you have registered online by paying registration fees of Rs 750/-, you must have received SITDSY ID. In the next stage, you have to upload additional information and upload documents by filling the online admission form. After the document verification and eligibility check, the merit list will be prepared and you will be informed through e-mail and notification on the institute website.

As you are aware that the process is completely online, a specific time frame has been given to you to upload the documents in the Admission portal.

Direct Second Year (Lateral) Admission

Last date for online document uploading for lateral admission round: June 20, 2020

Link to upload documents: <https://ezapp.ishinfo.com/SYDAFF/Register/>
