

SYMBIOSIS INSTITUTE OF TECHNOLOGY

Symbiosis International (Deemed University)

(Established under section 3 of the UGC Act, 1956)

Re-accredited by NAAC with 'A' grade (3.58/4) | Awarded Category – I by UGC

Founder: Prof. Dr. S. B. Mujumdar, M. Sc., Ph. D. (Awarded Padma Bhushan and Padma Shri by President of India)

Dear Candidates,

Hope you all are fine and staying safe!!

First of all, let me congratulate each one of you for taking a step towards becoming a part of SIT family by registering for admission to SIT B.Tech/M.Tech 2020 programme.

Symbiosis, is known as a pioneer of quality education, not only in the India but worldwide. Symbiosis Institute of Technology (SIT) is a constituent of Symbiosis International (Deemed University) established in the year 2008 with the aim to provide world class technical education in line with the requirements of today's competitive industry and fast paced technological developments.

SIT is approved by AICTE and has been ranked 1st among emerging private colleges of the century by India Today, 2019 & 1st among all private engineering colleges in Pune by Outlook, 2019. Symbiosis International (Deemed University) - SIU has been ranked 52nd during NIRF ranking in entire country and reaccredited by NAAC with 'A++' Grade. It is a matter of pride for us that only 60 universities in the country have been granted autonomy by UGC to compete with international universities worldwide and SIU is one of them. You can know more about Symbiosis International University by visiting www.siu.edu.in.

Currently, we all are facing a very difficult time due to Covid '19 which has led to uncertainty at all levels. But we at SIT, has taken swift and proactive steps to make sure that none of our current as well as future 2020 batch students would be affected in any way academically. Though our foremost priority is health and safety of our students, we had also continued the teaching-learning as well as the evaluation processes with immense rigor to make sure on time graduation of quality global engineers from our institution. The same kind of effective measures has been taken for Admission 2020 as well.

As a student, you might have two major concerns, first concern would be admission procedure and second would be commencement of academic session after the admission round. Regarding the first concern, we have developed an online admission & counseling system and will be shared with you in the near future, which will make sure that admission to SIT for 2020 programme will be executed completely online without any need to travel in person. For your second concern, we are glad to tell you that SIT is already equipped with to tackle the situations. To ensure no academic loss due restrictions on travel and safety concerns, SIT is ready with virtual classrooms and online teaching learning system which we are doing very well with our current batches of students. We are receiving many emails from students as well as parent appreciating the pedagogy and even examination system adopted to complete the semester with expected knowledge transfer to our students. So just be rest assured that your future is completely in safe and responsible hands at SIT.
